

Dear Customer:

You have just received the world's most unique magnetic flowmeter, the **Sparling TigermagEP™**.

It was designed for maximum reliability, long-term on line performance and ease of installation. We think you'll be impressed.

We are vitally interested in what you think of the **TigermagEP™** so we request that **after** the unit is installed you complete the postage paid card below and return it to us for warranty registration.

**Sparling Technical Support Hot Line  
is available to you at (626) 444-0571 ext. 205**
